March 2015

This month is the District Convention and the youngish club of Sandwell Lions have organised a weekend that looks like it is going to be a great one. So please, try to go there. These conventions are great opportunities to be re-energised. Meeting fellow Lions from other clubs shows you the depth of Lions International.

If members want to advertise, for only £10, we can place small advertisements. All funds raised for the district charity account. Over 1,000 lions will see your advert. An excellent place to advertise your holiday home, camper, old bike etc. Please contact us for details.

Last but not least, please send reports, news about forthcoming events, charter dates, newspaper clippings and anything else you think we should know about.

MD Final Young Ambassador of the 21st Century 2015

The weekend of 20th to 22nd February 2015 saw the MD Final of the Young Ambassador Competition at The Village Hotel, Dudley, West Midlands.

This year only 12 Districts in 105 were represented, by young people between the ages of 15 and 19 doing incredible things within their communities. Unfortunately the candidate from 105SE was unable to attend as he was attending University interviews.

105M was represented by Jessica Goulden, a 16 year old GCSE student, sponsored by Dudley Lions Club. She enjoys keeping herself fit and going to the gym, this helps her as she is currently taking part in the Duke of Edinburgh award scheme which she has just started. Her project focus has been on forming a bereavement support group within the school she attends, this is for young people by young people, she recognised, following the death of her own grandmother, that there was little support for young teenagers following on from deaths of family and friends in the community. With the full backing of

her school she has started to find a way to train a councillor to work within school, this councillor will be a young person themselves, she will be using the £500 to start this process.

The weekend flew by in a whirl of activity (do these young people ever sleep?). The Young Ambassadors arrived on Friday afternoon and quickly got to know each other, by the time they ate their evening meal all were working as a cohesive group. The team building task this year was an old favourite - to construct a free standing tower made from balloons, tallest wins, a very close run contest this year with only a couple of centimetres in it.

Saturday saw the interviews of the twelve candidates by three judges; the judges represent the business community, education and voluntary groups. The group was split into two - morning and afternoon, those to

be interviewed in the afternoon went bowling with Dudley Lions Club in the morning and visa versa, they all had to wrap up well against the snowy blizzards outside, a valiant effort by Dudley Lions.

The evening saw the Gala Dinner, this was once again the best attended Dinner that there had been in the Competition, so there is continued and growing interest within Lions clubs for this event; Lions and supporters came from all over the country. Chair of Council of Governors Mike Phillips and his wife Patricia arrived following their day at the Lionesses Conference in Maidstone, we did not ask him if any speed limits were broken to make it for the start of the Dinner, but make it they did.

At the Dinner the Young Ambassadors provide the entertainment and this year was no exception, this involved pairs from the audience miming words and a 'take' on Jeremy Kyle with regards to a hamster and the belief in Father Christmas. Everybody had a good laugh to release the tension from the hectic schedule.

Sunday morning came around all too soon, for some, and the formalities began. Each of the Young Ambassadors presented their three minute summary of their projects, the new lead judge, Michelle Crowley, said that this year it had been an extremely difficult decision and the judges had visited and revisited many of the candidates applications before they came to a unanimous decision of the winner.

The Leader of Dudley Council, Councillor Pete Lowe, gave a great speech congratulating each Candidate on their achievements, hoping that they would continue to be different and challenge others to get out there and do something for the community. He concluded by saying in the true words of the Black Country 'they wor bostin'.

Mike Field, the Co-ordinator of the Jubilee Sailing Trust Next Generation Trust, and one of the judges this year, presented the Shipshape Award to James Lingfield, sponsored by Wanstead and Woodford Lions Club. James was the youngest Candidate this year and suffers from Muscular Dystrophy, a well earned award, accompanied by a few tears. As part of this he wins a £500 cheque and a week working on a Tall Ship alongside able bodies and disabled crew. This award provides leadership training to the recipient.

The overall MD Young Ambassador Award was given to Orla Jackman from 105I, sponsored by Carlow Lions Club. She is 17 years old, loves art and sport; a leukaemia survivor, she says she wants to give back to her community in thanks for her life, she raises money for the four hospitals in Ireland that treat childhood cancer and life threatening diseases by doing all sorts of things, over the past four years she has raised 86,000 Euros supported by family and friends. She is only one of six young people on the Health Board in Ireland helping sort out support and delivery of services to these hospitals. As always, when given the award, she said she thought she wouldn't win as there were so many others who were doing wonderful things in their communities.

The Young Ambassador Competition is over for 2015, but the search now starts for the new Young Ambassador for 2016. The 105M District Final will take place on Sunday 22nd November 2015 at St John's Hotel Solihull, I invite all clubs to get out into the communities and look around, there are some fantastic young people out there doing 'amazing things', serving their communities in the way that we, as Lions do, let's give them the recognition they so richly deserve.

Cath Kendall
Young Ambassador District Officer
youngambassador@lions105m.org.uk

Young Leaders in Service

IMPORTANT NEWS ON CHANGES TO REQUESTING CERTIFICATES.

As from **January 2015** Young Leader in Service Certificates will **no longer** be issued by Oakbrook. The new system will simplify the process and certificates should be received by clubs quicker.

With **immediate effect** Clubs will need to send the completed logbooks, Lions Clubs Award Request Form and the YLiS School/Youth Organisation Award CERTIFICATION FORM to their YLiS District Officer.

The District Officer will arrange for certificates from the Multiple District Officer. The certificates will be sent directly to the person named on the Lions Clubs Award Request Form.

Please note that any forms received by Oakbrook will be sent back to the UK without being processed.

Yours in Lionism

Sally Marsh, MD105 Young Leaders in Service Officer

Balsall Common Lions

An evening with Alan Tumber.

Balsall Common Lions were entertained by Alan Tumber, on a Fellowship evening with humorous songs and poems.

Alan is a retired headteacher in Birmingham with over 35 years in Primary Education and has performed in folk clubs and venues around the city for many years, and works under the sobriquet 'Grandadssongs'

His show of unique entertaining gave us an inspiring hour of thought provoking and humorous content built around a theme.

Ours was 'Rhyme nor Reason' with comic poetry and songs with live music, pictures and recordings of the work of Marriott Edgar, Stanley Holloway, Pam Ayres, Les Barker and others supported by a powerpoint presentation.

At that event we took the opportunity to invite along our 'Santa helpers' and also Age UK Solihull for cheque presentations.

Cheque Presentation to Age UK Solihull

Balsall Common Lion President Mark Whitfield was pleased to present a cheque for £1,000 to Lorraine Hart, Fundraising Manager from Age UK Solihull. This was money raised from our successful '100' Club for the 2014 calendar year.

The '100 club', which has now been running for 6 years, individuals purchase a number between 1 and 100 each year costing £24, with a chance to win monthly prizes of £50, £20 and £10. In December there is an additional Bonus prize of £100.

Our chosen charity for 2015 is the **Macmillan Cancer Nurses** who serve our area. They specialise in palliative care, providing support and information to people with cancer, and their families. This is given free of charge and they rely heavily on voluntary contributions.

Cheque Presentation To Santa's Helpers

Lion President Mark Whitfield presented cheques to local organisations in recognition of their help with our Santa Sleigh Run. Those who were able to attend (from right to left) in the picture are:

Lion President Mark Whitfield: Brian Wilson, Coventry Phoenix Lions: Viv Shadbolt, BC Second Methodist Scouts: Lion Marie-Louise Marsden, Fundraising Chairman: Chris Abram, Berkswell & Balsall RFC, and Andy King, Balsall & Berkswell Hornets Football Club.

A donation was also made to Berkswell & Balsall Common Junior Cricket Club.

DG Ian Haffner Visit

We had a visit to our club Meeting by our District Governor Ian Haffner and Lion Joy Haffner.

to the community.

During the Meeting DG Lion Ian Haffner presented to Lion President Mark Whitfield his personal Banner and Badge and he also presented to Lion David Sargent a Certificate and Pin in recognition of him giving 20 year service

Request to fund equipment for BC & Meriden Group Practice

Balsall Common Lions were pleased to be able to help to contribute to a new ECG machine at Balsall Common & Meriden Group Practice. The old one had broken down.

The Practice was also looking for support to purchase an Opticlar D-Scope Head for a WA handle. It will

increase the flexibility and efficiency of the surgery in the treatment of skin cancers, which in recent years has seen an increase in the area.

The picture shows Lions Service Chairman Steve Meakin being tested by the ECG machine and then being checked over by

Dr. Tahir Nadeem with the new Opticlar D-Scope.

Finally we handed over a cheque to purchase a Nurse's Trolley for the new Treatment room.

Balsall Common Lions help at out Lunch

Currently, the Lions Clubs of the Midlands are supporting Sifa-Fireside which is a dynamic local charity working to tackle homelessness and alcohol misuse.

They are based in Digbeth, Birmingham and work with people aged 18 and over with no upper age limit. They deal with some of the most vulnerable adults in our society: those experiencing homelessness or who are vulnerably-housed, running a daily 'drop in service' providing free coffee, breakfasts and lunches.

Balsall

Common Lions have already helped both with financial support and provided second hand clothing and sleeping bags but we were more than happy when we had the opportunity to assist regular volunteers to prepare and serve lunch.

On the day we served a total of 93 people.

Lion President Mark Whitfield commented "He would like to thank Carole Fox, Operations Manager, and to the staff at SIFA Fireside for allowing us to support in our own small way. I was totally impressed with the whole SIFA set up. Barely a detail has been overlooked, and yet they rely, almost entirely, on charitable donations". Sifa-Fireside are continually looking for support in running the Centre.

And the winners are . . .

The Errant Gnomes, from Marston Green & District Lions, again

In a close fought contest this year the 'Errant Gnomes' clung on to the District MasterTeam Quiz winners shield for another year beating Rugby Rokeby Lions 'O.S.D.' team and Solihull Lions 'A Theory of nothing'. The 2nd and 3rd teams could not be separated by question master Steve Worrell who set a number of eliminator questions to try to pry them apart. In the spirit of Lionism the teams agreed to

share the trophy, and no doubt get the rose organisers Knowle & Dorridge Lions topped up the proceeds from the raffle to pay for 2 Asian Eye Camps. And a good evening was enjoyed by all.

With thanks to the new management of the Strawberry Bank Hotel for their hospitality.

District Governor Ian Haffner presents the winner's trophy to Marston Green's team

Southam Lions

"Over the days leading up to Christmas, Southam Lions were busily collecting money and bringing Father Christmas to the children from all over Southam and the surrounding villages. Literally thousands of bags of

chocolate buttons were given to youngsters, and some it has to be said were consumed by ravenous Lions. Father Christmas whose memory never ceases to amaze everyone, promised lots of presents to the children, and the number of drinks and carrots left outside homes on Christmas Eve meant that he slowed up considerably but still managed to get the job done! Well done Santa!!

Solihull & Rugby Rokeby Lions share runners up rose bowl

was raised and the two charities benefitting from the collection were SENSE and The Shakespeare Hospice. At a recent Lions meeting we were happy to present the cheques each for £2,500.

Our heartfelt thanks to everyone who gave so generously.

New Horns for Knowle Fun Run

each other.

After many years our committee authorised the purchase of new air horns for our VIP to use to start this year's Fun Run. After scouring the internet we came across a company selling 3 for the price of 2, and whilst technically we only required 1 but never one to pass a bargain we ordered 3. After 10 days nothing had arrived and after enquiry it seemed the courier, to remain nameless but recently privatised, had lost them and the supplier immediately despatched 3 more using a different courier, and both sets arrived within 24 hours of

Realising they are for a charity fundraising event the supplier told us to keep them should they both turn up. So in the spirit of charity we offered the 3 extras to local Fun Runs inspired by the Knowle Fun Run - the Arden 9, the Blythe Valley 10k organised by Shirley Lions, and the Dorridge Fun Run who we were surprised to learn have never used an air horn to set its riders and walkers on their way.

Good luck to all runners who set off running at the sound of an air horn this year.

Knowle Fun Run gets head start

Thanks to an £800 early donation from Tesco Extra (Monkspath).

Organiser, Richard Buckley recently met the team wearing their bright yellow Fun Run t-shirts.

With costs increasing year on year, we look for sponsors to help ensure all costs associated with staging the run are covered. This ensures that all the runner's entry fee and sponsorship raised will go towards the nominated charities who this year are Arthritis Research UK, Knowle Football Club, Solihull Young Carers and local causes.

"We are delighted that Tesco, and many other local companies, are firmly behind this year's Fun Run," said Richard. "It's also fantastic to see a team from the store with their running shoes on! We hope that teams of work colleagues, club members and relatives will enter soon".

Tesco Extra Solihull Store Manager, Simon Jasper, said: "As a store we have a commitment to supporting our local community and we are delighted to be able to support this year's Knowle Fun Run. Not only does the Lions Club do such great work organising the event, it's great to see so many people, of all ages, from the local area come together, take part and raise money for local charities."

Entry for the five mile fun run has been open just over a month and there are already hundreds of runners registered for the event on Saturday 17th May 2015. Places are still available and there is something for adults, juniors and children so the whole family can join in and take part.

Nicky Bowen, Community Champion at Tesco Extra Solihull said: "It has been a pleasure to meet Richard and Dave to hear all about the success of the Fun Run. We hope that the £800 donation will help towards the necessary staging and organisation costs and we wish them and all the runners the best for 2015!"

Balsall Common, DG Ian Haffner Visit

Had a visit to our club Meeting last night by our District Governor Ian Haffner and Lion Joy Haffner.

Service Chairman Lion Steve Meakin presented a cheque to Lion Joy Haffner for her DG Partners charity of her choice The Homeless.

Shirley student off to the Amazon thanks to Shirley Lions

Adam Pearce, a 3rd year medical student and ex pupil of Light Hall School in Shirley is off to a remote area in Peru close to the source of the Amazon to do his "medical elective" He will be there for 6 weeks delivering healthcare and education to the villagers of that remote area. Adam has to pay for all the costs associated with this most worthwhile trip himself as there is no financial help from his University or the NHS. Whilst he had been busy fundraising it was obvious to Shirley Lions that he was going to need some help to raise sufficient to cover everything. Shirley Lions were therefore pleased to help with a £1,000 donation and Lion President Ken Barker presented him with the cheque at a special assembly put on at his old school to publicize his trip.

Forthcoming Events

District 105M Convention 20-22 March 2015

Knowle Fun Run

Entries are open for this year's 32nd Knowle Fun Run on **Sunday 17th May**. Hundreds of runners have already made their New Year's resolution to run in Solihull's biggest fundraising event of its kind. Why not join them for this popular 5 mile Fun Run with great community atmosphere on traffic-free streets and help raise funds for Arthritis Research UK, Knowle Football Club, Solihull Young Carers and local causes. More details and enter online now at www.knowlefunrun.org.uk.

FOLLOWING the finding and forthcoming reburial of Richard III in Leicester Cathedral, which has garnered international attention, Bosworth Battlefield has been in the world spotlight recently.

And now, walkers of all ages are being given the chance to follow in the footsteps of the last Plantagenet King of England.

Hinckley and Burbage Lions Club are hosting a charity sponsored walk around Bosworth Battlefield on Sunday, May 17, 2015 and would love fellow Lions to join us on our walk.

Those who take part can choose either a five and a half or shorter circular walk. The Lions will carry out all of the organisation and all cash your group generate will be

shared equally between you and the Hinckley and Burbage Lions Club.

Flashback to last year's event where Lions club members and friends prepare to marshal the course.

There will be a staggered start times between 10-11.30am and as it is not a race, all those taking part will have the chance to sample the wonders

of the Leicestershire countryside which will hopefully be a lot more peaceful now, than that fateful day in August, 1485.

For more details ring 0845 833 5892, email cynthia.lines@hotmail.com, or write to

Lion Cynthia Lines, 60 Princess Road, Hinckley, LE10 1EB to confirm your interest and then we can send out more information.
